Code of Conduct

(Schedule One)

As an international student at Logan Park High School, you are expected to follow all of the school rules as well as the following rules which are specific to international students. The primary focus is on your safety as we want your experience in New Zealand to be an enjoyable and safe one.

You must not use any illegal substance, e.g. alcohol or drugs at all during your time at Logan Park. The legal age in New Zealand to purchase alcoholic drinks is 18 years old, but international students are not allowed to drink alcohol regardless of age. It is also illegal to get someone else to purchase them for you if you are under 18 years of age. The drug marijuana is illegal anywhere at any age.

You cannot own or drive a car. You cannot travel in a car with a driver who is on a learner's permit, or someone on a restricted licence unless there is a fully licenced driver in the car. The cheapest method of travel is the bus. Taxis are a good alternative at night. Hitch-hiking is forbidden. Students under the age of 18 are not allowed to ride Lime Scooters as this is against the law. If you are over the age of 18 we require you to wear a helmet when riding a Lime Scooter.

You must let your homestay parent know where you are at all times and arrive home by the agreed time. You must make sure you have enough credit on your cell phone and that your battery is charged at all times so you can contact your host family if your plans change. It is always a good idea to have some coins with you in case you need to use a pay phone.

We encourage you to travel around New Zealand during the school holidays and experience as much as you can. This can be done either with an independent tour company or in some cases, independently (with an approved adult such as a homestay parent). All travel needs to be approved by the International Office, your natural parents and your host parents at least 2 weeks before you leave. When you are away on a trip, you must keep in contact with your host parents by text on a daily basis. The school rules and code of conduct still apply.

You need to attend school every day unless you are sick and your host parents notify the school. Please arrive at school and at each of your classes promptly when the bell rings. You must have 100% attendance to fulfill the requirements of your study visa.

You must be considerate in the use of your host family's internet. Please check to see if they are on a limited usage plan and use it accordingly. If there is any significant over usage you may be asked to pay to cover it. You can purchase a prepaid phone card to make international calls where the cost is charged to your card after each call. This will avoid any unexpected phone accounts.

Your host family is happy to provide a heater for your room in winter. However, you must not run the heater all day or night as the cost is high. This also applies if you have an electric blanket on your bed. It is dangerous to leave this turned on all night.

If you break the school rules or the International Student Code of Conduct, the school has a system in place to address this. Serious misconduct may result in your study visa being revoked and you will be sent home.

Disciplinary Policy

(Schedule Two)

1. The following is the School's current disciplinary policy for dealing with breaches of the Agreement. This is not intended to restrict the School's general power of discipline and this policy may be changed from time to time at the discretion of the School.

Overview

2. Except in serious situations where immediate termination of the Agreement is necessary, or where the breach does not warrant any formal response other than a warning, the School will endeavour, where appropriate, to follow a two-stage disciplinary process.
3. In Stage One, the School will investigate and determine the facts, and will reach a conclusion on what happened and whether it amounts to a breach of the Agreement.
4. In Stage Two, if the School has determined that a breach has occurred, the School will consider the appropriate response to that breach, up to and including termination of the Agreement.
5. The Student will have an opportunity to provide a response to the alleged breach that the School is investigating (**the Allegation**) and any proposed disciplinary action that the School is considering taking (**the Proposed Action**).
6. This policy does not limit the School's power to take appropriate disciplinary action urgently and without following this process if this is necessary having regard to the seriousness of the breach.
7. This policy also does not limit the School's power to suspend the student for the duration of the disciplinary process where suspension is considered necessary for the safety or education of any person.

General Policy

8. When the School is conducting a disciplinary process involving the Student it will endeavour to provide the Student with the following:
 - (a) a written summary of the Allegation or the Proposed Action;
 - (b) an opportunity to respond to the Allegation or the Proposed Action, either in person or in writing or both, at the choice of the Student;
 - (c) an opportunity to consider the Allegation or the Proposed Action for a reasonable period of time (having regard to the seriousness of the Allegation or the Proposed Action) before giving a response;
 - (d) an opportunity to contact his or her Parent before giving a response, unless the delay caused by contacting that person is unreasonable having regard to the seriousness of the Allegation or Proposed Action;
 - (d) an opportunity to have an independent support person of his or her choice present at any meeting relating to the disciplinary process;
 - (e) an opportunity to meet with that support person in private at any stage during the disciplinary process;
 - (f) an opportunity to have a translator present (or otherwise facilitate the student participating in the process in his or her own language) during any meeting or process if the School or the Student considers that a language barrier means that a translator is required; and
 - (g) a copy of this policy setting out the rights which the Student has when engaging in the disciplinary process.

Disciplinary Procedure

Stage One: Incident Investigation

9. When the School learns of any incident or any other thing that may be a breach of the Agreement or might otherwise warrant a disciplinary response, the School will notify the Student of the Allegation and will provide the Student with an opportunity to give a response.

10. Where appropriate, having regard to the seriousness of the Allegation, the Student will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the Allegation.
11. When the School makes a decision about the Allegation it will advise the Student and parent, in writing if possible, about its conclusion as to what happened and whether it amounts to a breach of the Agreement.

Stage Two: Outcome Discussion

12. If the School determines that a breach of the Agreement has occurred, it will advise the Student and parent of the possible disciplinary actions that it will consider taking in response to the breach and will provide the Student and parents with an opportunity to give a response.
13. Where appropriate, having regard to the seriousness of the breach, the Student and parent will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the disciplinary action to be taken.
14. When the School makes a decision about the disciplinary action that it will take in response to the breach it will advise the Student and parents of its decision, in writing if possible. The disciplinary action will not take effect, and no actions will be taken to put it into place, until the Student and parents have been advised of the decision.

Refund Policy

(Schedule Three)

Request for a refund of international student fees

1. The School will consider all requests for a refund of international student fees. Requests should be made in writing to the School as soon as possible after the circumstances leading to a request.
2. A request for a refund should provide the following information to the School:
 - a) The name of the student
 - b) The circumstances of the request
 - c) The amount of refund requested
 - d) The name of the person requesting the refund
 - e) The name of the person who paid the fees
 - f) The bank account details to receive any eligible refund
 - g) Any relevant supporting documentation such as receipts or invoice.

Non-refundable fees

3. The School is unable to refund some fees. The following fees relate to expenses that the School may have paid or will incur as a result of receiving an application for enrolment and cannot be refunded:
 - a) **Administration Fee:** Administration fees meet the cost of processing an international student application. Administration fees exist whether an application is accepted or not or whether a student remains enrolled after an application is accepted.
 - b) **Insurance:** Once insurance is purchased, the school is unable to refund insurance premiums paid on behalf of the Student. Students and families may apply directly to an insurance company for a refund of premiums paid.
 - c) **Homestay Placement Fee:** Homestay placement fees meet the cost of processing a request for homestay accommodation by the Student. Costs incurred for arranging homestay accommodation for the Student prior to the refund request, cannot be refunded.
 - d) **Used Homestay Fees:** Homestay fees paid for time the Student has already spent in a homestay cannot be refunded. Used homestay fees may also include a notice period of two weeks.

PART FIVE

Digital Citizenship - Responsible Use Agreement

Our vision is for all young people to be connected, confident life-long learners and responsible digital citizens. The internet and other electronic devices can be powerful learning tools. They can also be used to bully and hurt people. We have taken steps to make our digital landscapes as safe as possible and access is filtered by special software.

I will help keep myself and other people safe by following these rules:

- I have my own user name and I will log on only with that user name. I will not allow anyone else to use my user name and will not tell anyone else my password and while at school or a school-related activity, I will not have any involvement with any ICT material or activity which might put myself or anyone else at risk (e.g. bullying or harassing).
- I understand that I must not at any time use digital technology to upset, offend, harass, threaten or in any way harm anyone connected to the school or the school itself, even if it is meant as a joke. This includes forwarding messages and supporting others in harmful, inappropriate or hurtful online behaviour.
- Inappropriate use of private digital technology equipment/devices and internet social networking sites (such as Facebook, Instagram and Snapchat) during out-of-school hours are not the school's responsibility. However, if the implications of such personal use/activity compromises or impacts on student and/or staff safety, wellbeing and work at school then school management reserves the right to intervene with possible disciplinary actions.
- I understand that the rules in this use agreement also apply to mobile phones and other devices. I will only use my mobile devices at the times that I am permitted to during the school day.
- While at school, I will not: 1. Access, or attempt to access, inappropriate, age restricted, or objectionable material 2. Download, save or distribute such material by copying, storing, printing or showing it to other people 3. Make any attempt to get around or bypass security, monitoring and filtering that is in place at school, i.e. proxy sites to circumvent access to prohibited sites. If I accidentally access inappropriate material I will: not show others, turn off the screen or minimise the window and report the incident to a teacher immediately.
- I understand that I must not download any files such as music, videos, games or programs without the permission of a teacher. This makes sure the school complies with the Copyright Act. I also understand that anyone who infringes copyright may be personally liable under this law.
- I understand that these rules apply to any privately owned equipment/devices (such as a laptop, tablet, mobile phone, USB drive) I bring to school or a school-related activity. Any images or material on such equipment/devices must be appropriate to the school environment.
- I will not connect any device (such as a USB drive, camera or phone) to, or attempt to run any software on school digital technology without a teacher's permission. This includes all wireless technologies.
- I will ask a teacher's permission before giving out any personal information (including photos) online about myself or any other person. I will also get permission from any other person involved. Personal information includes name, address, email address, phone numbers, and photos.
- I will respect all digital technology systems in use at school and treat all digital technology equipment/devices with care. This includes: not intentionally disrupting the smooth running of any school systems, not attempting to hack or gain unauthorised access to any system, and not joining in if other students choose to be irresponsible with digital technology.
- I will report any breakages/damage to a staff member.
- I understand that the school may monitor traffic and material sent and received using the school's digital technology network. The school may use filtering and/or monitoring software to restrict access to certain sites and data, including email.
- I understand that the school may audit its computer network, Internet access facilities, computers and other school equipment/devices or commission an independent forensic audit. Auditing of the above items may include any stored content, and all aspects of their use, including email.
- I understand that if I break these rules, the school may inform my parent(s). In serious cases the school may take disciplinary action against me. I also understand that my family may be charged for repair costs. If illegal material or activities are involved, it may be necessary for the school to inform the police.
- Disciplinary consequences for breaches of this agreement could include being blocked or having restricted access to the school network for a specified time, and could include detentions and/or stand-down/suspension depending upon the seriousness of the student's infringement.

Logan Park also uses digital technologies including our newsletter Park Press, the school website and the Year book to communicate and celebrate our successes.

Initialled by: _____ (parent) _____ (student)

- I understand and give my permission for the school to publish any school material (such as artwork, poetry, stories) I may have produced, in school publications. This could include publication in hard copy like school newsletters, or in digital format on the school's website. The purpose of any such publishing is to celebrate student work and achievement and to promote the school in our wider community.
- I understand and give my permission for photos and images of myself to be used and published by the school. This could include publication in both hard copy format such as the school newsletter, magazine, prospectus and also digital images on our website and school Facebook site. Any such digital images will be removed if the individual makes such a request. The purpose of the publishing of such images is as part of communicating with our school community and celebrating success.

I have read, understood and agree to abide by this Responsible Use Agreement.
