

Year 10 Curriculum Option Choices

Name _____ H/G _____

Current Core Class (in 2024) _____

We require an indication from all current Year 9 students of the Option Subjects they wish to take for next year.

All Year 10 students in 2025 will take:

English, Mathematics, Science, Social Studies, Physical Education & Health
and
three Option Subjects.

NOTE:

- Each Option Subject is taken for a FULL year.
- Some subjects should have been taken in Year 9 in order to be taken in Year 10 such as Languages. In special circumstances, permission from the relevant subject's Head of Department is required.
- If a subject doesn't run due to insufficient numbers or if an unavoidable timetabling clash means a student cannot do their first choice of options, you will be asked to make another choice.
- **Plan Ahead.** Many Year 11 subjects require that students take them in Year 10.
- Be aware that any option with a materials component will have a subject fee.

My Year 10 Option choices are: (write them in order of preference)

1. _____
2. _____
3. _____

Student Signature _____ Parent Signature _____
