

# LOGAN PARK HIGH SCHOOL POU

## Mangōpare

*Empowered Identity and Diversity*

Embodying strength, courage, and determination, we will foster a climate that celebrates diversity and inclusion. Our commitment is to empower every student to explore, understand, and value their unique identity.

## Niho Taniwha

*Unifying Strength Through Communication*

Through collective strength, unity, and guardianship we commit to fostering a culture of open dialogue, clear communication, and deep collaboration across all areas of our kura and community.

## Poutama

*Cultivating Growth and Discovery*

We will nurture a culture of learning grounded in curiosity, growth, and the nurturing of individual pathways to success. As the new curriculum emerges, we will continue to ensure our teaching and learning remain responsive, future-focused, and reflective of the needs of our ākonga.
